MISSION STATEMENT

Cornerstone Christian Academy is a Christ-centered learning community which equips students with a solid foundation for life through academic excellence, biblical training, and character development, while inspiring them to love and serve God and others.

STATEMENT OF FAITH

CCA is a nondenominational Christian school founded to serve the needs of believers from many denominational backgrounds. For that reason, biblical instruction and guidance of the school shall be in conformity with the commonly held doctrines of Christianity. While “controversial” doctrines may be discussed and examined, CCA does not seek to provide an authoritative answer to every question and shall refer students to their parents and pastors for additional guidance.

CCA is committed to and guided by the following beliefs:

1. We believe there is one God, eternally existent in three persons-Father, Son, and Holy Spirit.
2. We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His substitutionary and atoning death through His shed blood, in His resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.
3. We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life.
4. We believe the Bible to be the only inspired, infallible, and authoritative Word of God.
5. We believe that man was created as a unique being in the image of God to have dominion over the earth, but man fell into sin and is only saved by God's grace.
6. We believe that the shed blood of Jesus Christ and His resurrection provide the only grounds for justification and salvation for all who believe.
7. We believe the church, as the body of Christ, is the extension of Jesus Christ's character, attitude, behavior, and mission in the world today. As such, we believe it is essential that Christians practice fellowship, love, service, worship, and belonging in a local church body.
8. We believe in the resurrection of both the saved and the lost, of the saved to everlasting blessedness and joy with the Lord and of the lost to judgment.
9. We believe that God creates each person as either male or female in conformity with their biological sex. God defines marriage as the life-long covenant between one man and one woman. Only within the context of such a marriage does sexual intimacy have God's blessing.

GENERAL INFORMATION

HANDBOOK POLICIES

The policies contained within the Parent/Student Handbook are intended to provide guidance and structure to the daily operation of the school. Families whose children are enrolled in the school are expected to support and abide by the policies. It is the responsibility of each parent to review the handbook and be familiar with the policies. Questions and clarifications regarding any policy can be forwarded to the director.

ADMISSION AND REGISTRATION

Students applying for Kindergarten must be 5 years old by September 1 of the year of entrance. Any student turning 5 after this date may still apply, but will be tested for readiness.

The registration fee secures the student's place in his/her class. The fee is \$200, but a 50% discount will be given if paid by May 1. The registration fee is non-refundable.

Re-enrollment for the 2021-2022 school year will begin in January or February. The registration fee is \$200, but a 50% discount will be given if paid by May 1. It is non-refundable except in cases where the student is not re-admitted for enrollment.

Copies of current immunization records for all students are due each year by August 15th.

NONDISCRIMINATION POLICY

Cornerstone Christian Academy admits students of any race, color, and national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, or national and ethnic origin in administration of its educational policies, admissions policies, scholarship and loan programs, and athletic and other school-administered programs.

PERSONAL CONTACT INFORMATION

If any changes occur in a student's or parent's name, address, telephone number (home, work, or cell), employment, or emergency contact information, please notify the office immediately.

It is assumed that your personal contact information can be shared with CCA staff/faculty unless we are notified in writing.

SCHOOL PROPERTY

If any piece of school property is damaged, destroyed, lost, or stolen by a student (including textbooks, supplemental books or electronic devices), he/she will be asked to pay for it. Students will not receive year-end records or potentially be permitted to re-enroll if a school property obligation still exists.

To this end, chewing gum is not permitted on campus. Consumption of other food and drinks must be limited to snack and lunch times. Exceptions may be made at the discretion of the director.

ELECTRONIC DEVICES/PERSONAL PROPERTY

Personal electronic devices/cell phones are not permitted on campus. All personal items should be properly labeled. The school is not responsible for personal property that is lost or stolen at school or during school sponsored activities.

DISCIPLINE

"No discipline seems pleasant at the time, but painful. Later on, however, it produces a harvest of righteousness and peace for those who have been trained by it." Hebrews 12:11

The purpose of the discipline policies are:

- To apply Biblical principles to daily living
- To encourage students to develop a lifestyle that is consistent with the Bible
- To teach students to respond to authority with a positive attitude

- To teach students to respond with respect and kindness to one another
- To protect and build respect for others' property
- To expect complete honesty in all situations
- To provide an atmosphere of mutual respect
- To encourage self-control

The following scriptures help us achieve and maintain an attitude of self-control that is pleasing to Christ and to others: Galatians 5:22-23, Ephesians 4:22-32, and Philippians 4:8-9. We believe students should show respect for both parents and teachers. Staff and parents working together to teach and train our children to do what is right according to God's word will result in exceptional young leaders who are ready to impact the world for Christ.

Each student will be disciplined as needed in firm Christian love, according to individual needs. A student must learn to submit to authority. If a student learns to submit to teachers, parents, and others in authority, then he will learn to submit to God's authority in his own life.

Each teacher is given the responsibility of enforcing classroom and school rules. The teacher will maintain order in the classroom by speaking to children about the policy violation and deciding what consequences are appropriate for the child and circumstance in accordance to the discipline policy. The director will be available to assist as needed.

At all times, CCA reserves the right to administer any discipline it deems necessary (excluding spanking/paddling) in its sole discretion based upon the facts and circumstances of each situation. Factors to consider will include, but not necessarily be limited to, the seriousness of the offense, student's age, frequency of misconduct, student's attitude, and repentance. Discipline and order are attained through a proper balance of positive and negative consequences. Teachers will use a variety of methods to promote good behavior and aid in character training. The teacher will use positive responses for appropriate behavior.

In teaching students, the home-school connection in supporting one another is extremely important. Therefore, any disagreement parents may have with the discipline the school has administered should be discussed with the teacher and director rather than with their children.

DRESS CODE

"Do you not know that your body is a temple of the Holy Spirit, who is in you, whom you have received from God?" 1 Corinthians 6:19

"Don't let anyone look down on you because you are young, but set an example for the believers in speech, in life, in love, in faith and in purity." 1 Timothy 4:12

The goal of CCA's dress code is to honor God through our appearance as we represent our school, our families, and our community. It is expected that parents and students will join with us in honoring God in this manner. The dress code is not intended to measure spirituality, but rather to serve as a tool in fostering the academic and character development of the students as they participate in the business of education.

The director reserves the right to make discretionary judgments regarding dress code. If you have any questions about clothing or hairstyles, the director will be glad to help.

General guidelines

1. Modern uniform guidelines must be followed at all times, except on casual days. See below for casual day dress code.

Dress code policy enforcement

Parents are responsible to see that their children are dressed properly for school according to the dress policy. Teachers/administrators will monitor student dress daily. If a student is found to be out of dress code, parents will be notified to bring in a change of clothing (or the student will be asked to wear clothing that may be available in the office). A conference with parent, student, and director will be expected if three episodes occur. The Casual Dress Code should be followed at all school sponsored events. Where

personal differences arise over any portion of the dress code, the final decision will be based on the discretion of the school director.

REMIND COMMUNICATION SYSTEM

At least one parent/guardian from each family will be added to the school-wide Remind distribution list. Remind allows parents and guardians to receive notifications via cell phone or email. All school communication will be sent through this system, including the electronic version of the weekly Note Home, classroom announcements from individual teachers, and school closures. The designated parent(s)/guardian(s) will also be added to the individual teachers' Remind system.

SCHOOL CLOSINGS/DELAYS

Any school closings will be reported via the Remind System and on the Snowbird Report on News9. Advanced notice will be the goal.

NOTE HOME

The Note Home is the title of our weekly correspondence with families. It includes school-wide announcements and general information (not classroom-specific). It will be distributed each Monday through the Remind System. A paper copy will also be sent home with the youngest student in each family. Parents are encouraged to make a habit of reading the Note Home to be properly informed of important school information and events.

LUNCH & SNACK

A healthy lunch **and** snack should be provided by the parents each day. In the event that the school is serving a special lunch, order forms will be distributed to families through the Note Home. They must be returned on time and with payment in order for the student to receive his/her order.

MEDICAL PROCEDURES

Parents are requested, whenever possible, to schedule medication to be given at home. If medication needs to be given during school hours, parents must submit a Request for Prescription Medication form accompanied by a Physician's Statement of Need (Appendix A, B). Medications must be brought to school in the original container appropriately labeled by the pharmacy or physician and must include only that medication to be given during school hours.

Non-prescription/over-the-counter medication may only be administered by school staff if the Medical Information and Emergency Care form is on file. If a student requires a non-prescription/over-the-counter medication that is not listed on the Medical Information and Emergency Care form, the parent/guardian will be asked to complete a Request for Non-prescription/OTC Medication form prior to CCA staff administering the medication.

CCA staff will maintain documentation of all medications administered to students and notification will be sent home to parents.

TUITION

Tuition payments may be made via personal check, cashier's check or money order. Tuition is due on the 1st school day of every month. If payment has not been received by the 3rd school day of the month, a \$50 late fee will be applied. Parent/guardian will be notified when a late fee has been applied.

Families experiencing temporary difficulty in making a payment should contact the school immediately. Access to report cards, transcripts, and other such student records will be withheld should an account

become delinquent. Delinquencies are a serious matter and may affect your child's enrollment status. They will be managed on a case by case basis with the director.

A service charge of \$35 will be assessed per returned check or incomplete withdrawal due to insufficient funds. After two returned checks, payments may only be made with cashier's check or money order.

VOLUNTEERING

To ensure the success of CCA, parents/guardians are requested to volunteer a minimum of 20 hours per year (2 hours per month). For the safety and well-being of our students, all volunteers must submit to a background check and must sign a Statement of Faith and a Volunteer Commitment. Costs affiliated with background checks will be the responsibility of the volunteer. Please contact the director should this cost provide a hardship to you. Volunteer assignments will be coordinated through the office. Volunteers are required to sign in/out at the school office and wear a volunteer tag while in the building.

FIELD TRIPS

Field trips can be an important part of the learning process. To ensure safety, these guidelines are followed:

- As members of a Christian school, students should understand that they represent Christ on all field trips.
- Students should dress according to the instructions given based on the type of field trip.
- Students will follow instructions and cooperate with all supervisory personnel.
- Students are expected to attend all classes before leaving and after returning.
- Parents driving students on field trips must submit to the general volunteer guidelines outlined above, must fill out a Volunteer Driver Application each year (available in the office), and must comply with the Driver/Chaperone Guidelines provided before each trip.

TRANSPORTATION

Transportation to and from CCA is the responsibility of the parent/guardian. Families are encouraged to make carpooling arrangements.

SCHOOL DAY

The school day will run from 8:30am – 3:00pm. Students may be dropped off between 8:15am – 8:25am and picked up between 3:00pm – 3:15pm. Students will enter through the main school entrance. Students will report immediately to the gymnasium in the morning and will be released from there in the afternoon.

Students will be dismissed at noon on half days and must be picked up no later than 12:15.

Parents must send a written permission on each occurrence if the student is to be released to any other person other than individuals noted on their release forms.

Drop-off procedures: Parents are asked to park along the street and remain in their car. Students will be monitored as they cross the street and come up the steps. They will have a temperature check at the front door. Temperature must be below 100.4. Please wait for the green sign before you leave. A yellow sign means please wait while the child's temperature is re-checked. A red sign means pull into the school parking lot for further discussion.

Pickup procedures: Parents are asked to park along the street and remain in their car. A teacher will bring your child to your car. Please proceed along High Street to depart and connect to Rt. 2.

Walkers: Students in grades 1-3 must be accompanied by a responsible adult if they will be walking to/from school. Students in grades 4-6 may walk to/from school independently, but a parent/guardian must sign a waiver and submit it to the office.

VISITORS ON CAMPUS

All visitors will sign in at the school office upon arriving on campus, will wear a visitor tag during their visit, and will sign out before they leave. Cornerstone Christian Academy is a closed campus during school hours. Visits from students or other guests should be planned in advance with the director whenever possible. During COVID-19, visits will be limited.

COMMUNICATION

All communication/contact should come through CCA's centralized phone system. Please do not request or contact faculty or staff about school-related issues via their personal cell phone numbers. Parents may call 304-277-7578 to reach the main office at any time. Follow the prompts to reach your desired party. If your party is not available, leave a voicemail, and they will return your call. You may also utilize faculty and staff email addresses to communicate.

To honor and respect the privacy of CCA's faculty and administration and to model appropriate professional boundaries, please understand that friend requests from parents or students on social media platforms will not be accepted. All official school information will be posted on the school's Facebook page and/or website.

MATTHEW 18 PRINCIPLE

"If your brother sins, go and show him his fault in private; if he listens to you, you have won your brother. But if he does not listen to you, take one or two more with you, so that by the mouth of two or three witnesses even, fact may be confirmed. If he refuses to listen to them, tell it to the church; and if he refuses to listen even to the church, let him be to you as a heathen and a tax collector."
Matthew 18:15-17

The goal is harmony and reconciliation centered on God's will.

1. If you are in conflict with someone, have a direct conversation with him/her first.
 - *Reflect on your motives:* As you reflect on your goal for the conversation, ask yourself: Is it about being right, looking good, winning, punishing or blaming? True reconciliation and restoration does not grow out of these soils.
 - *Keep the matter confidential.* This is as much about trust as it is professionalism. If it doesn't involve anyone else, then don't involve anyone else! Similarly, consider that you subvert the goal of actual resolution to the problem when you take the matter to people who are not responsible for taking action to solve it.
 - *Be sure you know all the facts.* Work to understand the other person's perspective.
 - *Take a posture of humility, forgiveness, and prayer.* This is the soil from which true reconciliation grows!
2. If the issue cannot be resolved, agree together to involve the director or a person of authority to help facilitate restoration.
 - *Don't ambush.* This immediately puts the other person on the defensive and inhibits reconciliation. Instead, give opportunity for each person to prepare, pray, and feel confident that his/her voice is being heard.
 - *Don't tattle.* Again, ask yourself the goal of the conversation. Is it really reconciliation, or is it to get someone in trouble?
 - *Submit to authority.* If the person of authority suggests a plan for restoration, you should accept your role in that process and embrace it with prayer.

ATTENDANCE

Cornerstone Christian Academy is dedicated to meeting our responsibility in providing a safe learning environment where each child can reach his/her potential. It is the responsibility of parents to require students to attend school on a regular basis. Regular school attendance and punctuality develop self-discipline and responsibility. The purpose of this policy is to prevent a student from jeopardizing his/her personal and academic success by poor school attendance.

ATTENDANCE POLICY

Excused absences include the following: 1) illness/injury verified by a medical excuse; 2) death in the family; 3) approved off-campus educational activities; 4) COVID-19 diagnosis or exposure; and, 5) parent consent days with valid note (hunting, vacation, etc.): up to five days per year (requires submission of a Notice of Planned Absence form to the office).

Unexcused absences cover any absences not covered above. Suspension days are unexcused absences. Unexcused absences beyond 5 days will require a meeting with the director.

Tardiness is defined as entry to school or class after the designated starting time. The director will contact parents when a child has unexcused tardiness five (5) times. If a student is tardy, they must obtain a tardy slip from the office in order to be admitted to class.

It is expected that parents should try to schedule appointments outside of school hours. If this is not possible, the parent must send a note to school in the morning on the day they will leave early and a school excuse to the office the next day. If a student must be picked up early, they must be signed out at the office. Parents are asked to respect the COVID-19 precautions (please wear a mask upon entry to the building).

In order for students to do their best in school, attendance must be consistent. Students should be on time and prepared for each day (*Note: Students should arrive no earlier than 8:15am.*).

Parents are expected to call the school by 8:45am in the event of their child's absence.

Parents should also notify the school when an absence of several days is anticipated due to illness, family emergency, or educational trip. Notice of Planned Absence form is included in the Handbook (Appendix C). Additional copies are available in the office.

As part of their responsibility, parents have the duty to provide the school with a written excuse, signed by a parent, stating the specific date(s) and reason for their child's absence. The excuse should be submitted to the office upon the child's return to school. An absence will be considered unexcused until a written excuse is provided to the office.

Any time a child is ill, the parents may request their child's homework to be collected for them to pick up at the school at the parents' and teacher's convenience. COVID-19 precautions will apply.

Students are required to make up homework and tests within the number of days the student was absent. For example, if a student misses three days, he or she will have three days to make up the work, two days and he or she will have two days to make it up, etc. Each case will be assessed individually.

ILLNESS/FEVER POLICY

Do not send your child to school if he/she is sick!

Students should not be sent to school when they have a fever, vomiting, or are in the early stages of an illness that might be contagious to others. Please do not give the child aspirin/acetaminophen (or any fever reducer) and bring him/her to school. In most cases the child will run a fever two or three hours after medication was given, thereby making him contagious to the other children. Students running a fever must be fever/vomit-free **without** medication for 24 hours before they will be allowed to return to school.

If a child becomes ill in school or runs a fever, the student will be sent to the office to see the director. (Any temperature above 100.4 is considered a fever.) Parents will be contacted to pick up the child. The child should be fever-free for 24 hours without medication before returning to school. When the child does return to school, he/she must have a note explaining the absence.

PLANNED ABSENCES

Students traveling with their parents for a vacation or other planned absence during the school year (more than 3 days) must submit a Notice of Planned Absence to the director two weeks prior to the traveling time. Teachers will provide work in advance for students, when possible. The teacher may do so at his or her discretion. Make-up work is the responsibility of the student to complete. The student will have the same number of days to make up the work as the absence (example: 3 days' vacation = 3 days to make up work, etc.).

EARLY DISMISSAL POLICY

It is expected that most appointments and lessons can be scheduled after the school day ends. Early dismissals should be requested only when after-school arrangements cannot be made. Parents who need to pick up their child early must send a note to school in the morning on the day they will leave early and a school excuse to the office the next day. Parents must also sign the student out in the office prior to leaving the building for an early dismissal. For security and safety reasons, students are not permitted to leave the school grounds without adult supervision at any time. Parents must send a written permission on each occurrence if the student is to be released to any other person other than individuals noted on their release forms.

ACADEMICS

CURRICULUM AND PHILOSOPHY

Cornerstone Christian Academy believes that the Bible is foundational to all truth and should be integrated in all subject areas. CCA will use a variety of curricula to meet the needs of our students. The curricula used comes from a variety of reputable organizations including, but not limited to Abeka and ACSI. CCA will meet and exceed West Virginia standards. The curriculum will be augmented or remediated as deemed necessary by the director to meet the needs of individual students based on learning style preferences, multiple intelligence strengths, developmental levels, interests and passions.

GRADING

Grading is a form of feedback which helps students to understand and reflect on their own learning.

Report cards and progress reports will be sent home for all students. Progress reports will be sent home half-way through each 9-week quarter. Report cards will be sent home at the end of each 9-week quarter. Specific dates will be determined in accordance with the school calendar.

If after reviewing your child's report card you wish to have a conference with a teacher, please contact the teacher directly to make arrangements. Parents are expected to attend school-wide conferences.

RETENTION POLICY

When warranted, the decision to repeat a grade will be made during the latter part of the spring semester for students in grades K-2. The decision will be preceded by a meeting in the first semester with the director, child's teacher and parents.

In light of Cornerstone's efforts to educate and assess students based on individual abilities, we require that students in grades 3-6 maintain at least an overall "C" average or better academically in order to advance to the next grade level. It is also necessary to meet specific grade level requirements, such as the ability to work independently, follow directions, listen attentively and exhibit age appropriate maturity. If a student's grades fall below a "C" average overall, the teacher and parents will work closely together to define strategies to improve academic achievement. If the grade-point average is not brought up to a "C" or better by the end of the school year, or if the grade-level requirements are not met, the director, teacher and parents will meet to discuss whether or not the child is ready to move on to the next grade level. Parental input is vital. However, the final judgment on grade-level placement will be determined by the classroom teacher and director.

ACCEPTABLE USE POLICY

Cornerstone Christian Academy (CCA) acknowledges God as the source of all truth and seeks to equip students to explore, discover, discern, and share truth. In light of the prevalence of technology and social media in our times, we recognize our responsibility to help students use these twenty-first century tools for God's glory. Through the integrated use of these tools, students will increasingly engage in critical thinking, collaboration, communication, and creativity in order to be thoroughly prepared Christian leaders in our modern society.

At CCA, students are expected to use technology in responsible, ethical, legal, and God-honoring ways. Students must comply with federal and state laws and the CCA Parent/Student Handbook. The use of technology at CCA is a privilege—not a right.

PROPER USE OF TECHNOLOGY

1. Use all authorized hardware to facilitate learning and enhance the exchange of appropriate educational information.
2. Access information from outside resources (including the internet) which promote learning and enhance the exchange of appropriate educational information.
3. Care for equipment in an appropriate manner.
4. Only print with a teacher's permission.

STUDENT RESTRICTIONS

1. Keep food and drink away from technology.
2. Do not use technology to bully others.
3. Do not access obscene, offensive, or threatening materials. Specifically, do not access sites like Google images without teacher permission. If you accidentally access (see) images that are improper, you need to let your teacher know right away.

4. Do not change the settings on the computer without permission (changing the background of the display, moving the icons or taskbar, etc.).
5. Do not engage in or promote any illegal activity (for example, accessing someone else's account. Just because you can doesn't mean you should!).

MICROSOFT OFFICE

1. Microsoft Office offers a free set of tools, including Teams, Word, Excel, etc. that enable teachers and students to work together and learn more effectively. This will be used for remote learning as the need arises.
2. Students will be assigned a Microsoft account which will give them an email address that is only to be used to contact CCA students and teachers and other approved emails such as parent emails.
3. Students agree to use God-honoring, respectful, and encouraging language in technology communications.
4. Students agree to report any communication that seems inappropriate or makes them feel uncomfortable.

SECURITY AND PRIVACY

Although both CCA and Microsoft have powerful content filters in place, CCA cannot assure that students will not be exposed to unsolicited information or inappropriate material. If this occurs, the student is to immediately close the Chromebook or turn off the tablet and take it to the teacher for help, without drawing undue attention.

Microsoft Office files, application accounts, electronic documents, or other materials created by students using CCA devices are considered the property of CCA. CCA reserves the right to inspect them for conformity with its policies, licensing standards, and state or federal law.

DISCIPLINARY ACTION

CCA maintains the right to immediately withdraw the access and use of student accounts when there is reason to believe that violations of law or school policies have occurred. Violation of any part of the Cornerstone Christian Academy Acceptable Use Policy, in addition to the restriction or suspension of access to technology resources, may result in financial restitution or other disciplinary measures as determined by the CCA director.

CODE OF CONDUCT

Philippians 2:5 tells us that "Your attitude should be the same as that of Christ Jesus..." Therefore, it is our desire to have our students experience Christ in all aspects of community life. With that in mind, certain expectations have been established to promote student Christ-like behavior and attitudes.

It is understood that behaviors are developmental in nature, some infractions are more serious than others, and repeated infractions warrant stricter consequences. In some cases the development of an individualized behavior plan may be appropriate. In all cases, consequences are subject to parameters of state and federal law. The administration retains the right to use its discretion in evaluating cases. A student's past record, attitude, and willingness to cooperate in correcting behavior problems will be considered when appropriate.

STUDENT RESPONSIBILITIES

Every student should:

Every parent should:

- Read the Parent/Student Handbook and discuss school rules with his/her child, and then sign the Handbook Agreement

PROBATION

Probation will keep a student from participation in school events and activities.

ACADEMIC

Students in grades 3-6 must maintain a “C” average in order to participate in school events and activities. If, at the end of each semester, a student’s overall grade-point average is below a “C” in the core subjects, he/she will be placed on academic probation. Academic problem areas will be assessed and parent conferences set up.

BEHAVIORAL

Behavioral probation is invoked when a student has an excessively negative attitude or behavioral problems. The student is then given an opportunity to correct his/her problem, and a written notice of behavioral probation will be mailed to parents.

Reasons for Behavioral Probation

1. Suspension for violation of the Harmful Acts Policy (if permitted to return to CCA).
2. A rebellious spirit which is unchanged after repeated effort to correct the behavior by teacher, administration, and parents.
3. Continued deliberate disobedience.

Length of Probation

1. Probation will last a minimum of four weeks and a maximum of nine weeks from the time of notification.
2. At the end of the probation period, if sufficient improvement is not shown, probation may be extended for up to an additional nine weeks.
3. In the event that no improvement is shown, it may be recommended to the board of administration that the student be expelled.

Readmission

Any student who is expelled from the school due to academic and/or disciplinary reasons must wait until the following school year before applying for re-enrollment to Cornerstone Christian Academy. The director and board of administration will include all normal admission procedures in their review of the re-enrollment request and, in addition, will review:

- The reasons for the academic/disciplinary dismissal
- The record of behavior and performance which the student has demonstrated since the time of expulsion
- The general reputation of the student and level of influence, positive or negative, within the school community

HARASSMENT/BULLYING POLICY

Cornerstone Christian Academy is committed to maintaining an environment in which all individuals treat each other with dignity and respect and which is free from all forms of bullying, intimidation, exploitation, and harassment, including sexual harassment. Cornerstone Christian Academy is prepared to take action to prevent and correct any violations of this policy. Any student, parent, volunteer, or staff member who violates this policy will be subject to discipline, up to and including expulsion/termination.

This includes inappropriate touching or suggestions of such, made by someone from, or in, the school setting.

DEFINITION OF BULLYING

“Bullying” means any aggressive behavior or intentional harming of another person. Bullying occurs within an interpersonal relationship characterized by an imbalance of power. It involves the exploitation of a less powerful person by one seeking an unfair advantage. It is repeated over time.

- i. Physical bullying: Harm to another student's person or property (threatening harm or gestures, tripping, hitting, starting fights)
- ii. Emotional bullying: Harm to another's self-worth using remarks, insulting gestures, harassing /frightening phone calls, emails, text messages

- iii. Social bullying: Harm to another's group acceptance by gossiping, playing mean tricks, spreading rumors, racial insults, exclusion tactics, arranging public humiliation, undermining other relationships, ruining a reputation.

EXAMPLES OF HARASSMENT/BULLYING

Unwelcome conduct of this type can include a wide range of verbal, visual, or physical conduct. Such behaviors include, but are not limited to, the following:

- Unwanted touching or requests for, and discussion of, inappropriate touching
- Threats for refusal to cooperate with such requests
- Visual conduct such as leering, glaring, or other bodily movements designed to depreciate another person

CONFIDENTIALITY

Every effort will be made to protect the privacy of the parties involved in any complaint. However, the school reserves the right to fully investigate every complaint and to notify appropriate government officials as mandated and as the circumstances warrant.

PROTECTION AGAINST RETALIATION

It is the school's policy not to discriminate or retaliate against any person who has filed a complaint concerning harassment or has testified, assisted or participated in any manner in any investigation proceeding or hearing concerning harassment.

WEAPONS POLICY

Cornerstone Christian Academy considers student possession of, use of, or threat of the use of weapons as a serious offense and will not tolerate such by students on school property, at school events or any other time while enrolled as a student. Possession of, use of, or threat of use of weapons will be considered a Harmful Act (see Harmful Acts Policy below). Statements made by a student claiming or boasting of a weapon at school or a school function will also be dealt with as a Harmful Act.

DEFINITIONS

A "**Weapon**" includes, but is not limited to (a) a firearm, which is a weapon or device from which a projectile may be fired by an explosive; (b) an air gun, which includes any air pistol or air rifle designed to propel a BB, pellet or other projectile by discharge of compressed air, carbon dioxide or other gas; (c) any items which appear to be realistic firearms or air guns; (d) any type of sling shot; (e) any type of martial arts weapon; (f) any knife which is a cutting or stabbing instrument set in a handle; or (g) any explosive device, including fireworks.

"**Possession**" includes, but is not limited to, having a weapon on school property or at a school sponsored event located (a) in a space assigned to a student, such as a cubby or desk; (b) on the student's person or property, such as on the student's body, in his/her clothing, purse, backpack, gym bag or vehicle; (c) under the student's control or accessible or available, such as hidden by the student.

“Threat” includes, but is not limited to (a) a statement of personal bodily harm with a weapon; (b) a statement indicating friends or acquaintances with weapons who will commit bodily harm; (c) the statement of possessing a weapon at school or a school function.

In all cases, the administration retains the right to use its discretion in evaluation of cases. A student's past record, attitude, and willingness to cooperate in correcting behavior problems will be considered when appropriate.

HARMFUL ACTS POLICY

Harmful acts are defined as follows:

1. Possession of any weapon (see also Weapons Policy)
2. Possession or use of drugs
3. Sexual immorality, including pornography
4. Threats or physical abuse of other students or school personnel
5. Any form of harassment or bullying
6. Any other activity which, in the opinion of the administration and school board, is detrimental to the overall well-being of the school or is directly against the school philosophy guidelines.

Violation of the Harmful Acts Policy is grounds for immediate suspension from school for a time period determined by the director. Parents will be notified of this action by telephone and letter. During the suspension time, the Board will meet to determine if the student may return to school or be expelled. Expulsion means that the student is not permitted to return to Cornerstone Christian Academy. If the student is permitted to return to CCA, the student and parents must meet with the Board prior to reinstatement. Expulsion may also result from repeated offense of a lesser nature as indicated by a student's refusal to abide by the discipline code. In this case, expulsion will usually be preceded by suspensions.
