

Job Title: Elementary Teacher

Job Type: Full-time, contract

Salary: \$19,620 - \$21,800

Overview

Cornerstone Christian Academy has an opening for an Elementary Teacher for the 25-26 school year (anticipated lower elementary grades). The teacher will have the unique opportunity to serve this community by developing students academically and spiritually in a small class setting. CCA's mission is to "equip students with a solid foundation for life through academic excellence, biblical training, and character development, while inspiring them to love and serve God and others." The ideal teacher candidate will be missions-minded, qualified, and passionate about Christian education.

The teacher will help develop the whole child – mind, body, and spirit. He/she will teach attitudes, skills, and subject matter and will partner with parents to develop students into mature, responsible adults, equipped to lead and serve their families, churches, and communities.

Spiritual Qualifications

- Wholehearted commitment to following Christ in all aspects of personal life and community
- Be a role model in speech, actions, and attitudes (both on and off campus) and model a consistent daily walk with Christ.
- Active involvement in a local church whose Statement of Faith is in agreement with CCA's
- Believe, without reservation, and actively support the school's Statement of Faith, Core Values, Mission, and Vision
- Pray for CCA regularly – the Board, the staff, the families, the students, and the activities

Personal Qualifications

- Servant's heart and willingness to go above and beyond the responsibilities on the job description
- Missional mindset and teamwork mentality
- Lifelong learner – always seeking to learn new things and improve oneself
- Approachable and adaptable

Professional Qualifications

- Required: Minimum of a Bachelor's degree or equivalent in an appropriate Educational field of study
- Minimum of 2 years teaching experience preferred (Christian school setting preferred)
- State teacher certification and/or ASCI/AACS certification preferred
